-

PROFESSIONAL EXPERIENCE

GRAB PHILIPPINES

Grab Support Professional

November 2021 – Present

- Provide end-to-end customer support for delivery, payment, account, promotional, and transaction-related concerns.
- Investigate and verify customer transactions using internal CRM, mapping, and support systems.
- Review account and transaction information to identify discrepancies and resolve customer concerns accurately.
- Manage multiple customer cases while maintaining productivity, accuracy, and service quality targets.
- Coordinate with internal teams and merchant partners to resolve escalated concerns and ensure timely follow-up.
- Document customer interactions, investigation results, and resolution details accurately.
- Handle sensitive customer information while following company policies and procedures.

VXI GLOBAL SOLUTIONS

Account Associate – Comcast/Xfinity

June 2020 – November 2021

- Managed customer accounts involving Xfinity Internet, Voice, and Cable services.
- Assisted customers with account management, billing-related concerns, service changes, upgrades, and orders.
- Used internal systems and interactive troubleshooting tools to identify and resolve technical issues.
- Accurately entered and updated customer and service information in company systems.
- Handled sensitive customer information while following security and privacy procedures.
- Coordinated service requests and escalations to appropriate departments when necessary.
- Maintained accurate documentation and provided clear communication throughout the customer interaction.

ALORICA TELESERVICES, INC.

Customer Service Associate – Amazon.com

October 2015 – June 2020

- Provided customer support through **voice and email channels** for Amazon.com customers.
- Assisted customers with orders, subscriptions, accounts, payments, and account-security concerns.
- Provided technical support for Amazon devices and services, including Kindle, Fire TV, App Store applications, and Prime Video.
- Researched customer concerns and provided appropriate solutions using multiple internal systems and resources.
- Managed multiple tasks while maintaining accuracy, productivity, and customer satisfaction.
- Consistently met performance standards and was recognized as a **top-performing specialist**.

KEY ACHIEVEMENT
